

**Children's Books are  
Communication Tool Designed to Mirror the Guide Topics**

Sparkimur Friends - Meet the Sparkimurs Preschool Volume 1 children's' book is a wonderful communication tool designed to mirror the common childhood challenges, emotions and behaviors presented in Sparkimur Friends – Meet the Sparkimurs Parent/Teacher/Caregiver Guide Volume 1 (sold separately).

This children's version of "Sparkimur Friends" points out "Sparkimurs are different, but a lot like you and me". It can be use to proactively discuss non-addressed emotions and behaviors of interest with children through the Sparkimurs. Use this children's book with the companion Sparkimurs Parent/Teacher/Caregiver Guide Volume 1 (sold separately).
